

## The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect our heads, throats, feet and lungs, but the stomach is utterly indifferent to, until discovered, the solar plexus and knocks us out. Make your stomach sound and strong by the use of Dr. Pierce's Golden Medical Discovery, and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition.

The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Adviser will be sent free, paper-bound, for 21 one-cent stamps, or cloth-bound for 31 stamps. Address Dr. Pierce as above.

## SAME OLD STORY

Wentworth Ties With Central High in First Half and Cavors Away in Second.

The game between Wentworth and Central High School at Kansas City last Saturday was a repetition exactly of the game here with the Haskell seconds earlier in the season. The best the cadets could get in the first half was an even break, neither side scoring, and then they scored almost at will in the second session, making a grand total of thirty.

Nearly the entire student body made the trip to witness the game. The cadets and teachers left on a special train at 8:15 and reached Independence shortly before eleven. They paraded around the square and then took the trolley to Kansas City. Headed by the band the cadets made a good showing in Kansas City and routed much better than the Central students.

The Kansas City team had been reported light; but this lightness was not apparent. They played the cadets to a standstill in the first half. Once they came near scoring, when toward the end of this half they got the ball on a recovered punt on Wentworth's two-yard line. The scrappers from Lexington, however, dug their toes into the soil and in three downs the Centralites did not gain at all. That was their one and only chance.

For a few minutes the second half was also hard fought. Cook I and Austin had a fist fight, disagreement and both were put off the field. Wyatt, who took Cook's place, proved the big noise. Three times he caught his stride and tore down the field like a 40 h. p. high geared roadster. Cook II was the second star, making two touchdowns, one after a run of 90 yards through the entire Central team. Six men tried to tackle him; but Hillix, who was interfering, disposed of three and Cook eluded the other trio. Owens kicked all the goals and played a good, consistent game. Hurley, Hoge and Hillix were the other stars for Wentworth. Edwards and Stengle were the best for Central.

After the game the cadets returned to Lexington on the special.

| Wentworth | Position | Central  |

Pleasant, sure, easy, safe little liver pills, are DeWitt's Little Early Risers. Sold by Crenshaw & Young.

DeWitt's Kidney and Bladder Pills are unequalled in cases of weak back, back ache, inflammation of the bladder, rheumatic pains, and urinary disorders. They are antiseptic and act promptly. Don't delay, for delays are dangerous. Get DeWitt's Kidney and Bladder Pills. Sold by Crenshaw & Young.

Kennedy's Laxative Cough Syrup not only heals irritation and allays inflammation, therefore stopping the cough, but it moves the bowels gently and in that way drives the cold from the system. Contains no opiates. It is pleasant to take, and children especially like the taste, so nearly like maple sugar. Sold by Crenshaw & Young.

Kodol contains the same digestive juices that are found in an ordinary healthy stomach, and there is, therefore, no question but what any form of stomach, indigestion or nervous dyspepsia, will yield readily yet naturally to a short treatment of Kodol. Try it today on our guarantee. Take it for a little while, as that is all you will need to take. Kodol digests what you eat and makes the stomach sweet. Sold by Crenshaw & Young.

You can cure dyspepsia, indigestion, sour or weak stomach, or in fact any form of stomach trouble if you will take Kodol occasionally—just at the times when you need it. Kodol does not have to be taken all the time. Ordinarily you only take Kodol now and then, because it completely digests all the food you eat, and after a few days or a week or so, the stomach can digest the food without the aid of Kodol. Then you don't need Kodol any longer. Try it today on our guarantee. We know what it will do for you. Sold by Crenshaw & Young.

## A Broken Back.

## FRANZ XAVER MUHLBAUER PIANIST.

Murrell Auditorium Saturday, November 21st at 8:00 O'clock.

That Lexington will appreciate and enjoy the coming musical event there is little doubt. Muhlbauer is an artist who has received great recognition in the critical, musical atmosphere of Germany. For his brilliant performance of the Tchaikowsky F minor concerto he was awarded a medal of honor from the King of Bavaria. Muhlbauer will play in New York and other cities in America this season.

The opening number of the program given here in Lexington is the beautiful Sonata Appassionata (Sonata of passion) which number alone should be sufficient to interest those who love music or those who wish to learn. "The mental and moral horizon of music grows with each new hearing." "At thirty years old, Beethoven, the greatest of musicians and composers was looking forward to being unable to hear a single note. The keynote of his character is given in the following quotation from a letter of his, which shows how he faced it: 'I will, as far as possible, defy my fate, though there must be moments when I shall be the most miserable of God's creatures. Not unhappy, no; that I could never endure I will grapple with fate; it never shall drag me down.' This is the mood of the 'Sonata Appassionata,' a sonata which must always remain one of the noblest of human utterances, the revelation of a high soul, subjected to suffering the most intense, yet unconquered and unconquerable." Muhlbauer is an artist in the broadest sense of the word, and possesses that something we call magnetism which causes his listeners to hang on every note.

## How is Your Digestion?

Mrs. Mary Dowling of 228 8th Ave., San Francisco, recommends a remedy for stomach trouble. She says: "Gratitude for the wonderful effect of Electric Bitters in a case of acute indigestion, prompts this testimonial. I am fully convinced that for stomach, and liver troubles Electric Bitters is the best remedy on the market today." This great tonic and alterative medicine invigorates the system, purifies the blood and is especially helpful in all forms of female weakness. 50c. at Crenshaw & Young drug store.

Bruises, scratches, sores and burns that other things have failed to cure will heal quickly and completely when you use DeWitt's Carbolyzed Witch Hazel Salve. Sold by Crenshaw & Young.

## Hunting or Trespassing.

Hunting or trespassing on our premises is strictly forbidden under the penalty of the law. 9-192m ECKLE & TAPP.

## Fishing Party a Success.

Notwithstanding the coolness of the climate, the fishing party held under the auspices of the Epworth League of the M. E. Church proved a success in every way and some of the sportsmen secured rich hauls. And stranger to relate, the game was ready to eat when pulled out. About 100 people enjoyed the sport and the League coffers were swelled considerably.

The prospective fisherman upon arrival at the camp, paid 10 cents for future privileges, was provided with a hook and a line and left to shift for himself. The amount of eatables he would consume for his bunch depended solely upon his ability with the hook and line and several went hungry. The students of Central college and W. M. A. were unable to attend and therefore the attendance was not up to expectations.

About \$15 dollars was added to the league fund.

## Turner Art Exhibit.

The Turner Art Exhibit will be presented this year in the auditorium of the Lexington High school Thursday, Friday and Saturday of this week. This exhibit proved to be very popular when held last year. See the papers for later notices.

## Wysong-Gaffin.

L. H. Wysong, chief electrician of the Electric Light plant, was married Saturday evening at 6 o'clock to Miss Iva Gaffin, daughter of Mr. and Mrs. L. W. Gaffin of this city. The ceremony was performed by Rev. R. B. Briney of the Christian church.

## Dolliver's Address.

Senator Jonathan P. Dolliver of Iowa opened the Central-Wentworth lecture course at Murrell Auditorium Monday evening with an impressive address, such as the Senator is always capable of giving. Almost every available seat in the auditorium was occupied and the audience was both cultured and appreciative.

Senator Dolliver bears a national reputation as a politician and statesman. He is justly reputed to be one of the most brilliant orators in the senate and this fact was the means of drawing such an unusually large audience. Senator Dolliver chose as his subject the present day social conditions, and the opportunities afforded the young men of the country. He cited as his example the rise of the late President, Wm. McKinley. Mr. Dolliver stated that every president from Washington to Roosevelt, rose to his position through hard work alone. He said that never before in the history of the country had there been such an abundance of opportunities for the young people and he earnestly urged the young men and women to accept them. Mr. Dolliver avoided all things political. Although the subject was a serious one, a great deal of the senator's spicy humor was woven into the address.

Senator Dolliver is of striking figure and personality. He possesses a deep resonant voice, which could be easily heard in every corner of the room. He spoke in a conversational tone considerably but the flights of eloquence he used in bringing out the strong points of his theme were indeed masterful. It was without doubt, the best lecture that has been given from a Lexington platform for some time. The management of the course is to be congratulated upon its success in securing so distinguished a gentleman for the opening number on the program and one who is so able to make the opening an auspicious one.

The speaker was introduced by Rev. G. M. Gibson, president of the college.
